Investor Deck

Real Estate Investment Reimagined

Accessible

You no longer need to be wealthy to invest in premium properties. Start with as little as €100 and build your portfolio gradually.

Profitable

Earn consistent rental income from high-demand vacation properties while benefiting from potential property value appreciation.

Hassle-free

No property management headaches. Our team handles everything from maintenance to guest relations while you simply collect returns.

Be Part of the Movement

Join our early members community and secure exclusive benefits:

- Priority investment spots in our first Zanzibar properties
- Updates on our private beta launch
- Invitations to early investor events
- Special community perks and bonuses

Why Choose FURSA?

Low Entry Point

Start investing from just €100, making premium real estate accessible to everyone.

Hands-Off Ownership

No need to manage or maintain the property – our professional team handles everything.

Monthly Income

Receive regular rental income from premium vacation properties proportional to your investment.

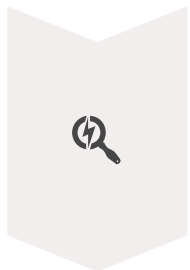

Flexible Exit

Easily resell your shares on our platform or reinvest in new properties when you're ready.

FURSA is building the future of real estate ownership in Africa: collective, simple, and transparent.

How the Platform Works

Browse

Explore carefully selected premium properties starting in Zanzibar, with detailed information and transparent analytics.

Made with

Invest

Choose your investment amount starting from just €100, with no hidden fees or complicated paperwork.

Own

Your contribution is converted into legal shares of the property, secured by blockchain technology.

Earn

Receive monthly rental income proportional to your ownership share, directly to your account.

Exit

Resell your shares on the platform or reinvest in new properties whenever you choose.

Join Our Growing Community

"Real estate shouldn't be reserved for the few. With FURSA, I can own part of something real. And African."

— Early Member, Yaoundé

Made with

FURSA is not just a platform — it's a movement. We believe owning a piece of Africa should be accessible to everyone, whether you're in Nairobi, Paris, Lagos, or Toronto.

We're turning renters into owners, dreamers into stakeholders, and enabling the African diaspora to become collective builders of the future.

- ① We imagine a continent where the next generation inherits not just hopes, but equity—homes, assets, and foundations for generational wealth.

Backed by Trusted Partners

Our Strategic Partners

- Africa Bahari - Local real estate expertise
- CPS (Zanzibar) - Property management
- SEED Innov - Blockchain & secure payments

Together, we're building a secure, transparent platform for the future of African real estate investment.
